

Instructions

- 1) Fill in the name, birth date, and death date for each person in the chart. Entries that you do not want in the chart can be left blank. Unknown dates should also be left blank.
- 2) Save the completed form to your computer. Hint: Saving to the desktop makes the form easy to find for the next step.
- 3) Go to the Relation Creations website and upload the saved form to your account. You need to register first. On the "Upload Tree" page, select the form that you saved, choose a name to remember the chart by, and upload the file.
